Re: Town Manager's Report

Dear Council Members:

The following will keep you up-to-date on various topics.

1. Recreation Programs – Technology:

Registration for the summer Recreation program confirms the advantage of online registration. Specifically, during the first 45 minutes of registration this spring there were 2,156 registrations totaling \$166,394. An amazing result that brings cost savings to the Town and convenience to customers. In the past this process would have been coordinated through in-person and mail-in registrations.

2. Earle Park Bridge:

The final permit (Army Corps) is now received for the bridge replacement project at Earle Park. The project will now be competitively bid with bridge purchase and installation to follow over coming months.

3. Final Budget Hearing:

The Final Budget Hearing and Special Council Meeting is scheduled for 7:00 p.m. on Thursday, March 25, 2010 at the Glastonbury High School Auditorium. The agenda and background information is forwarded separately. Should Council have any questions or desire additional information, please let me know on Tuesday evening.

I will be happy to review the preceding and any other items Tuesday evening.

Sincerely,

Richard J. Johnson
Town Manager
